Dear Valued Customer,

Please be advised that A 24 HOUR NATIONAL STRIKE in Belgium has been announced for **FRIDAY 14Dec2018**. We are still waiting for the official time: beginning/end of the strike.

Unfortunately, the strike will impact our operation and will cause disruption to our weekend flights.

Since our handling agent, LACHS, will **NOT** be able to provide handling (warehouse or aircraft ramp) during the above strike period, we are strongly recommend to deliver your shipments prior to the planned strike.

We are currently reviewing our schedule and the immediate effect after the strike period in order to set contingency/recovery plan.

We thank you for your understanding and support, since this strike action is completely out of our control.

Sincerely,

**CAL Commercial Team**
