

# Customer Update

---

November 2, 2021

Dear \_\_\_\_\_,

Please be advised that the decision has been taken to update your existing ZIM rate agreement between **Israel** ports and all **North America, Central America & Caribbean** ports, as follows:

- Effective December 1<sup>st</sup>, 2021, until further notice
- The following increase will apply on all cargoes, effective **1- December - 2021**:

To USEC, US Gulf, USWC, Canada, Mexico, Central America and Caribbean:

**\$500 per TEU**

FAK rates regarding U.S. trades subject to the US Shipping Act are provided in [www.boterates.com](http://www.boterates.com) User: ZfreA6 Password: Access16!

For further details on ZIM additional services and/or commodities kindly contact ZIM local sales or ZIM's website at [www.zim.com](http://www.zim.com).

These measures are necessary in order to maintain our current levels of service and high reliability.
